Department of Building Inspection, 2300 William Penn Highway, Pittsburgh, Pa 15235

APPLICATION FOR ERECTION OF NEW BUILDING, ADDITIONS OR ALTERATIONS TO EXISTING BUILDING

Application is hereby made to the Department of Building Inspection of the Borough of Churchill, for the approval of plans, in duplicate herewith submitted for the erection of the building or buildings herein described. All provisions of the Building Laws and Ordinances shall be compiled within the erection of said building or buildings, whether specified herein or not. Including all provisions of the BOCA 1999 Code.

NOTE – In making applications for the erection of Buildings, the following drawings with specifications must be furnished. Plans for every story front, rear and side elevations. All plans must be drawn to a uniform scale, not less than 1/8 inch and must be on tracing cloth – properly designated, or blue prints designated and colored. All plans must be under seal of an engineer or architect registered in the State of Pennsylvania.
