Two representatives from Waste Management, Bob Burdzy and Michael Christ, attended the meeting to discuss recycling and the changes that been made since the inception of our contract. The demand for recycling has greatly diminished and glass, especially, has been hit hard. All glass will continue to be collected by Waste Management. For plastics, the Mobius symbols of 1 and 2 are recyclable, numbers 3 through 7 touch food so they are not recyclable.

Ken Balkey of Hampstead Drive requested an update regarding an amendment for the tree ordinance.
